

# Event Report: Celebration of Birth Anniversary of Dr. Vikram Sarabhai

**Date:** 12/08/2025

**Venue:** KCSA Auditorium

**Organized by:** KCSA

---

## Introduction

The birth anniversary of Dr. Vikram Sarabhai, widely recognized as the “Father of the Indian Space Program,” was celebrated with great enthusiasm and reverence. The event aimed to honor his visionary contributions to science, technology, and space research in India, while inspiring students and participants to pursue scientific excellence.

---

## Event Proceedings

### 1. Introduction and Keynote Address

The celebration commenced with a warm welcome to the dignitaries, faculty members, and participants. **Dr. Pushpendu Rakshit, Program Director**, delivered the keynote address, highlighting Dr. Sarabhai’s pioneering work in establishing ISRO, promoting space technology for societal benefits, and fostering scientific curiosity among young minds. He emphasized Dr. Sarabhai’s philosophy of blending technology with national development and urged students to follow his example of innovation and dedication.

### 2. Open House Written Quiz Contest

An engaging **Open House Written Quiz Contest** was conducted by **Iqbal Sir, Akanksha, and Pramod**. The quiz covered topics ranging from Dr. Sarabhai’s life and achievements to space science, Indian space missions, and general scientific knowledge. The event witnessed enthusiastic participation from students, who showcased their awareness and interest in India’s space journey. The competitive yet fun environment encouraged teamwork, quick thinking, and deeper appreciation of India’s scientific milestones.

### 3. Conclusion and Remarks

The event concluded with insightful remarks from **Mr. Rahul** and **Mr. Chinmay**, who praised the participants for their active involvement and encouraged them to carry forward Dr. Sarabhai’s vision. They highlighted the importance of curiosity, perseverance, and innovation in contributing to the nation’s progress.

## Outcome

The celebration successfully paid tribute to Dr. Vikram Sarabhai’s legacy and inspired attendees to dream big and work towards scientific and technological advancement. The interactive format, especially the quiz, provided a platform for learning and engagement, making the event both educational and memorable.
