

The International Conference, GLOBAL CONGRESS ON SUSTAINABLE GROWTH & DEVELOPMENT 2025 (GCSGD-2025) jointly organised by INTI International University, Nilai, Malaysia and Einstein Research Academy on 10/10/2025, brought together experts from diverse fields to discuss solutions for a sustainable future. The conference covered themes such as global health, ecosystem preservation, climate resilience, digital innovation, responsible governance, and equality in education, featuring six major tracks—Medical & Health Sciences, Biological & Environmental Sciences, Engineering & Innovation Technology, Information Technology & Data Sciences, Business & Management, and Education & Liberal Arts.

Kalpna Chawala Space Academy also took part in the conference as one of the co-organizer of the conference. Dr. Pushpendu Rakshit, Program Director of KCSA was invited as a **Keynote Speaker**. He was selected as an Indian Delegate. Also, he was offered **INBOUND VISITING SCHOLAR PROGRAMME** and participation in GLOBAL CONGRESS ON SUSTAINABLE GROWTH & DEVELOPMENT 2025 (GCSGD 2025) among all applicants internationally. He was the one representing India among all 30 other scholars selected globally.

Expected outcomes from Dr. Rakshit visit

1. Introducing VNET, school and KCSA in international platform
2. Promoting Space Science education
3. Inviting International students to study at KCSA
4. Research opportunities and collaborations
5. Cultural exposure program
6. Academic exchanges
7. Display of KCSA logo on banners and backdrops during conference
8. Research publication
9. Networking with International delegates
10. Representing our India and promoting Nation Building Mission
11. Visiting other Universities if possible for collaborations

Being a research Conference, KCSA team also presented research papers in this conference in hybrid mode considering this as a golden opportunity. The papers were presented by the Academy's faculty: "*Integrating Jeevan Vidya into Space Education: A Value-Based Approach at Kalpna Chawla Space Academy*" by **Rahul Arya** (co-authored with **Dr. Rakshit**), "*Cybersecurity Challenges in Indian Satellite Communication Systems*" by

Chinmay Jagdhani and **Pramod Angarkhe** (co-authored with **Dr. Rakshit**), and “*Advancing Sustainability in the Digital Age*” by **Dr. Shailendra Singh** (co-authored with **Dr. Pawanjeet Kaur**, Symbiosis Skills and Professional University, Pune). All papers were presented orally, with **Dr. Shailendra Singh** and **Rahul Arya** receiving the **Best Presentation Award** in their respective categories.

Being a research Conference, KCSA team also presented research papers in this conference in hybrid mode considering this as an golden opportunity,

Sr. No.	Team	Paper Title
1	Chinmay J., Pramod A. Dr. P. Rakshit	Cybersecurity Challenges in Indian Satellite Communication Systems
2	Dr. P. Rakshit, Rahul Arya	Integrating Jeevan Vidya into Space Education: A Value-Based Approach at Kalpana Chawla Space Academy
3	Dr. Shailendra Singh, Rahul Arya, Dr. P. Rakshit	Intelligent Technologies for Sustainable Development
